## CULTURE & HERITAGE

**Bombay  
Durga Bari  
Samiti**

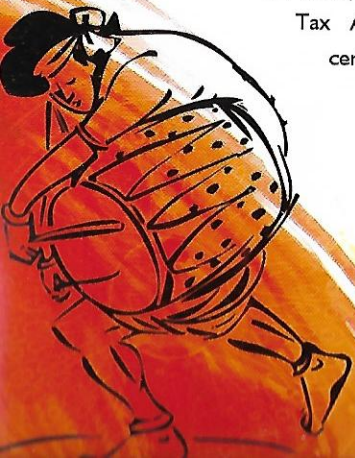

**Sharadotsav, 2018** is upon us and this is the time when we come together to make it another memorable year for all of us at Bombay Durga Bari Samiti ('Samiti'). With Ma Durga's blessings this year's celebrations will be larger, bigger and better than ever before and will herald another year of progress for the Samiti. We can achieve this with the support and blessings of our sponsors who have continued to patronize and guide us over the years.

Durga Puja is not just a religious festival for all of us, but a celebration of life, culture, traditions and also philanthropy! Victory of good over evil and recognizing life and creation. This is the time when we give back to our roots and culture and come together in celebration of it all. In addition to the festivities, last year the Samiti made significant progress in our contribution and work towards various philanthropic and charitable causes and we look forward to strengthening our work of service to society as this is one of the key aims and objectives of the Samiti. Our reach has also increased over the last few years with our digital and social media initiatives and we are striving to reach out to more and more people locally as well as globally. Times are changing and so are we, while continuing to abide by our culture and traditions.

To achieve the aims and objectives of the Samiti, we require the cumulative and motivated patronage of our members as well as our supporters and sponsors. Each sponsorship and advertisement helps us in strengthening our commitment to uphold our cultural and social values and ensuring that they are not lost to our future generations.

In addition to booking Advertisements, we accept Donations under various heads for activities which are exempt under section 80G of the Income Tax Act, 1961. The necessary 80G certificate will be issued to Donors on request. We look forward to your continued support and help.

The Order Form attached may kindly be returned, duly completed, to the Samiti's office as early as possible, but not later than 25<sup>th</sup> September, 2018.
